

# Merry Christmas 2018

From our family to yours, we want to wish you a very merry Christmas. As we celebrate our Savior's birth, we are also celebrating the peace He would bring to us through His death. **Romans 5:1** "Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ...." What an awesome truth!!!! We live to declare this truth, not just during Christmas, but all year round.

As we reflect on this past year, we have much to be grateful for. While in NY, we really enjoyed being with family (pictured above is Abby with Great-Grandma, who just passed away this past Wed). In July we moved to Spokane, WA, where we settled into our new life & ministry. Pictured (above right) is Abby when we dropped her off at Taylor University in August. She has adjusted well to college life!! To the right are my parents who visited us from San Diego over Thanksgiving. At the top (left), Julie and I worked together to represent Ethnos360 Aviation at a missions conference in November. Pictured (above left) is our selection of a Christmas tree. Bottom left are some of my co-workers in missionary aviation. I am now working with a new team that trains and mentors the next generation of missionary pilots. **Please pray with us as we continue working to**

**bring in Indonesians to Moody Aviation to train with us here.** They are in the process now of applying for student visas!

Thanks for being a part of our lives in the ministry God has called us to. This past year has been full of transitions, and transitions are never easy. This move has been no exception, but your prayers have really helped us ease into this new ministry. We so appreciate your prayers and encouragement. May the Lord richly bless you this season and into the new year!!!!

Because of Him,
