Dear Friends at Grace Christian Church,

Greetings from Centro Pedagogico Didaque in Tijuana, Mexico. I hope you are staying healthy , happy and strong during this unprecedented pandemic. We have started the school year with all classes on Zoom and most likely with continue to have virtual instruction throughout this school year. The children have adapted quite well with our biggest challenges being lack of computers, tablets and reliable internet. We do our best to keep the students engaged and learning from 8:00 - 12:00 every day. Our number of students has grown, attendance is good and we all are looking forward to the day we are able to return to in person classes in our brand new school building!

Thank you so much for your STEP scholarship support. Your students' names are Melany Yeraldin Morales Ochoa ( 6th grade), Joanna Yiret Gil Colin ( 5th grade) and Angel Valente de la Cruz ( 3rd grade). They are so grateful for your help. The photos included in this letter were taken on Zoom as screenshots, so the quality isn't the best. But you can at least see the children you are helping during these most challenging of times.

Thank you so much!

Blessings,
